JADE

Our new C-cupped cutie Jade, just 19 years old, was deliriously happy to show off her newly denuded rabbit's nostril. "I shaved it specially for my new man! He goes down on me all the time. He says my cunt tastes divine. It feels even better when he's licked it for half an hour and I'm dripping wet while getting fucked!"

Watching girl-on-girl makes my orgasms last longer

cunt through my crotchless panties.

I was getting soaking wet and when I told Ray, he said let's go up to the hotel room for some hard licking, sucking and fucking.

We watched and really enjoyed a hardcore fuck movie with plenty of girl-on-girl action as that gets me wettest and makes my orgasms last longest.

I slowly stripped and teased Ray with my vibrator, licking the shaft up and down. Then I lay on the bed and spread my pussy lips wide so he could get a good view and rubbed the vibrator up and down my soaking wet lips. Then I slid it in and out of my dripping hole.

Ray was going totally crazy by this time and was

gagging for it. He sucked on each of my hard nipples as I moaned in sheer delight.

I slipped the vibrator out of my swollen cunt and Ray proceeded to lick and tease my clit with his tongue while probing my soaking wet crevice with a couple of his fingers.

I was in ecstasy and could feel my climax building up until I couldn't stand it any more and I exploded in one long, raging climax.

Ray kept his head down on my pussy and then gobbed and slurped up all my sticky cunt juices.

He turned me over and then slipped his hard throbbing cock inch by inch up my slippery tube then started to fuck me hard from behind.

Harder, harder, I demanded, loving the feeling of his thick shaft rubbing against my pussy walls and knocking hard on the very top of my cunt. I was floating on a cloud of sexual ecstasy.

I could tell by the way Ray's hard cock was twitching and throbbing he was nearly ready to shoot his load.

I said I wanted to suck his cock as I love to make him cum in my mouth. I turned around and wrapped my tongue and lips around his throbbing fuck stick.

I licked and sucked hard as his cock fucked my mouth and soon he flooded it with his hot fluid. I lapped up every drop till he was drained dry.

I can't wait till the next sex-filled cum-soaked weekend.

Claire, Brighton.

BEHIND THE SCENES AT ESCORT

WHAT SLUTS SHOULD WEAR

Joanna Jet stars as Tranny and Sandie Caine as Susannah, those bothersome "style gurus" off the telly in Union Films' new release. And just like the real Trinny and Sue there's a whole lot of boob grabbing going on – it just doesn't stop there this time. A bit repetitive, but it's fun to see tarts like Isabel Ice and Sahara Knite pretending to be dowdy fayeds before getting a slutty makeover. Then dressing themselves in reams of tranny spunk.

PRESTON REAR-END!

A girl's thoughts, while shopping in Preston High St on a Saturday morning: Hmm, I could do with some new shoes. Ooh, they look nice. Mustn't forget milk. Fancy a coffee now. Oh fuck. Oh no. I just realised... I think I left the iron on!

Dear Julia:

Your magazine rivals the government's three R's in education by having the three E's for adults – it's entertaining, exciting and erotic! None more so than vol 30 no 1.

You have to

look no further than the lovely Lara, Violet and Barbara (vol 30 no 1). These three ladies embody the three E's. It's enough to make you weep for more!

Dear Julia: I hate missing out on the chance of a fuck with my favourite contact wives because of geographical fate. As with filthy turn-on Carole from Kent (vol 30 no 1). The thought of me fisting her juicy

Rebecca Dakin spills the beans about the good, the bad and the ugly in her years as an escort. Firmly aimed at the female market, with its emphasis on relationships, fine dining and well-heeled silver-haired gents who like to listen to acoustic guitar as they make lurve, it all seems a bit of a far cry from the down and dirty stuff I like. REAL WIFE SEX

Single mums have double the fun.
As Ian found out, without a
husband they get up to all sorts!

Tammy &
Sara, Yorks

As a single dad I have to take my young son to primary school every morning. It takes a while for the other mums to get to know you, but as I found out, just because women have kids doesn't mean they can't be real goers.

I met Tammy and Sara outside the school gates. I didn't think they were much to look at at first, but of course they were just in their civvies – the sort of clothes a mum with five-year-old twins throws on to go down the shops after dropping them off.

We got chatting anyway. They admitted they were cagey about talking to the single dads at first but they had seen me around for six months now and thought it was about time to break the ice.

Tammy was a single mum, with long auburn hair scraped back in a bun, mid-twenties, a pretty face and long long legs. Her mate Sara was shorter, blonde, with a fuller figure, and a great rack under her jumper. Now we'd dropped the kids

off they asked if I wanted to go for coffee.

Since I've been divorced I haven't had much luck with the ladies, what with looking after my boy, so I would have been happy to go with them for a glass of water. We found a café and started exchanging stories. Tammy was separated from her husband and Sara was a single mum too. I must have given them a bit of a sob story as they asked me back to theirs.

Back in Sara's kitchen the girls got a bottle of wine out and poured me a glass. "Do you mind if we ask you a question?" said Tammy, when I'd had a sip. "Have you seen anyone since you got divorced?"

"No, not at all," I replied. "I'm easing my way back in." Tammy and Sara gave each other the briefest of looks as my

glass was topped up. I noticed the curve of Sara's tits and the bra strap straining against her shoulder. I really was sex-starved, I thought to myself. Don't make a prick of yourself – these women have invited you round to be friendly, don't make sure you're crossing to the other side of the street for the next ten years.

But Sara especially definitely seemed up for it. I swigged some more wine to take away thoughts from my prick.

"Thanks for the drink," I said. "But I guess I should get going now."

"Why not stay for a bite to eat? Looks like you could do with fattening up," Sara smiled, tapping my stomach, a little lower than I thought she might have. My dick wasn't having any trouble with putting weight on as I realised that, despite my worries, I might very well be on with Sara.

"I'm hungry. Aren't you?" Sara said

again, coming nearer to me and, close up against my chest and with her hand hidden from view, gently stroking my shaft. A flutter went through my groin. I looked up for Tammy but she had conveniently disappeared. So the game was afoot!

I felt the hot swell of her buttocks

I grasped Sara's head, entangling my fingers in her hair and stuck my tongue into her mouth. She was desperate for it, her tongue grappling with mine as I ran my hand down her back and over the hot swell of her buttocks.

"Upstairs," she gasped and I half-

pulled, half-carried her to the staircase, shedding bits of clothes as we went. My hands were all over her gorgeous tits, round and firm like ripe fruit, and her head was tilted back, mouth open and promising all sorts of delights.

I threw her on to the bed, sat her on the edge and licked and sucked her nipples while fingering her cunt. She was so wet already – my fingers came away soaking. I pushed her back and pulled

I frenched her sticky little hole

up her legs to get her trousers off. While they were up there I buried my face in her snatch and frenched her sticky little hole. She turned her face to the side and hollered into the duvet.

I hadn't tasted pussy for so long I feasted on Sara's trim little twat like a starving man. She quivered as I ravished her with my tongue and teeth. Then she returned the favour and took my dick in her mouth. She licked the entire length

Cream horn

I met Tina four years ago and she is still the horniest woman I know.

Recently we went out to a quiet pub and were sat having a drink when that look came over her face – the one that means she's getting really horny.

As we sat in the beer garden she played with my cock through my jeans. She insisted we drive to a place we know near some woods that is known for its after-dark activities.

When we got there, there were already a couple of cars parked up with single men in. We pulled up and Tina got her tits out for me to suck and fondle.

Then she knelt on her seat with her arse in the air to suck my cock. Her arse was up near the window and as she was just wearing a mini skirt and no knickers all her bits were on show.

She was taking me deep throat when I realised a man was standing outside the car looking in.

I told Tina and in between mouthfuls of my prick she cried out, "I'm wet for more cock!"

I opened the window on

spunk as I came up her pussy. As I fingered her arsehole she was starting to suck off a fresh pair of cocks.

I got out of the car and walked round. I couldn't believe there were eight or nine blokes standing around wanking.

"Fuck it," said Tina. She got out, stripped and told the dirty bastards

her side and the bloke started fingering her. More and more cars were pulling up.

Tina sat up and leaned out and said to the stranger, "Let's see your fucking cock then." So he undid his fly and released his member.

She started to suck off a fresh pair of cocks

Tina started sucking his cock and I began fucking her from behind.

More men had walked over to watch us so she told them to drop their pants. Soon she was sucking two cocks and wanking off two others. Tina was moaning like hell as I fucked her and the bloke to the left of her spunked all over her arm.

The blokes in her mouth and I came almost together, covering her face with hot

to get some condoms on their fucking cocks. "I want you all!"

The ones who had condoms fucked her doggy-style while she wanked and sucked the rest of them.

I was getting hard again now and after she had fucked four

of the strangers, I laid her across the bonnet and stuck my hard shaft right up her tight arse-hole.

The six or so men who were still watching stood round wanking over her face. They covered her face, hair and tits in their sticky load while I shot my muck right up her bum.

I took her straight home to give my dripping wife a shower and I fucked her again as she washed the spunk out of her hair.

In like Flynn

Regular readers may recall my wife April's adventure with two brothers in vol 29 no 8 where she got fucked in every hole.

The next lucky guy to enjoy here was Errol, a black guy from Birmingham. He had written to us and boasted he had a big dick. April and I were eager to find out if this was true.

We invited him to spend the weekend with us and he arrived on Friday evening. When we greeted him at the door I was slightly disappointed. I had expected a big muscle guy but Errol was a slim fella.

I could feel his cock in her pussy as I rammed her arse

My disappointment soon faded when after a drink and a brief chat April wasted no time in getting Errol's cock out.

April undid Errol's jeans and pulled them down to expose a long thick semi-erect cock. Straight away she lowered her head and licked his equipment. In return he had his fingers in her knickers.

It didn't take him long to get massively hard. Slowly April inched him down her throat until I thought she was going to choke. Errol let her come up for air and then she was straight back down.

Errol held her head and fucked her mouth. When he started to cum April allowed

CONTACT
ME

him to shoot a few jets of spunk down her throat before taking the rest in her mouth.

Then she dribbled it on to his big black cock and licked it back up.

April took off her dress and bra, leaving her in just stockings and high heels. She then

around and scooped the jizz out of her and ate it.

Errol was still fucking her like the clappers and April was screaming as she came again and again.

Errol pulled out saying he wanted to fuck her arse. April leaned over the settee and let

April,
Devon

grabbed his cock and fed it into her wet pussy as she lowered herself on to him.

Errol licked and sucked her huge tits as April ground down hard on his recovering cock.

I could not wait any longer so I joined them, pushing my cock up April's arse. She begged us to fuck her hard. Errol was stiff again and I could feel his cock in her pussy as my dick rammed in and out of her back passage.

The feeling made me spunk up her arse. April reached

him stuff his full length up her. She squealed with pleasure as he pummelled her bottom.

After several minutes he let out a grunt as he shot his load deep in her bottom. He fell away on to the floor as April fingered her arse and let the last waves of orgasm course through her.

Errol stayed the weekend. We took him down our local where April sucked him off in the gents in front of me and several other guys, but that's another story.

April and Bob, Devon.

I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

LEAH, BRISTOL.
36-24-36, 49 years old. Show Us Yours, p. 48. "My best sex was fucking and sucking two men at once. Plus I love anal!"

Loose woman Leah wanted it tight in two holes when she got her git out in vol 29 no 8...

Dear Escort,

Following my appearance in *Escort* I received lots of dirty letters from horny guys telling me what they would like to do with me.

Just reading the replies made my pussy tingle and I spent a long time with a letter in one hand while my other hand reached into my knickers to rub away furiously at my clit.

During one of these wankathons my husband Ray came home and caught me at it. He immediately threw me over the table and rammed me from behind – then suggested we have a threesome with any of the letter writers I cared to choose.

I chose Jamie. He was young and fit but a little shy and inexperienced. He'd said lots of nice things about my photo and thought I was a "gorgeous MILF who could teach him a thing or two."

And he was one of the few who didn't mind Ray in on it. A few texts later and it was all arranged for Jamie to come round for evening class

LESSONS IN

the following day.

I was still getting ready when Jamie showed up. Ray took him aside and put him at ease, sharing a drink while I finished pampering myself with creams and make-up and all sorts of sweet smelling things.

I wanted to be ravished so I had to be ravishing. I slipped on my G-string, stockings and suspender belt and topped it off with a sexy black lingerie minidress and high heels.

As I made my way down the stairs I could already see the lust in the eyes of my two men as they gazed wide-eyed at my legs – and all the way up to my crotch.

After giving them an eyeful I joined them for a drink. Jamie was good looking, lean and with a hefty bulge in his trousers.

As he sat down on the

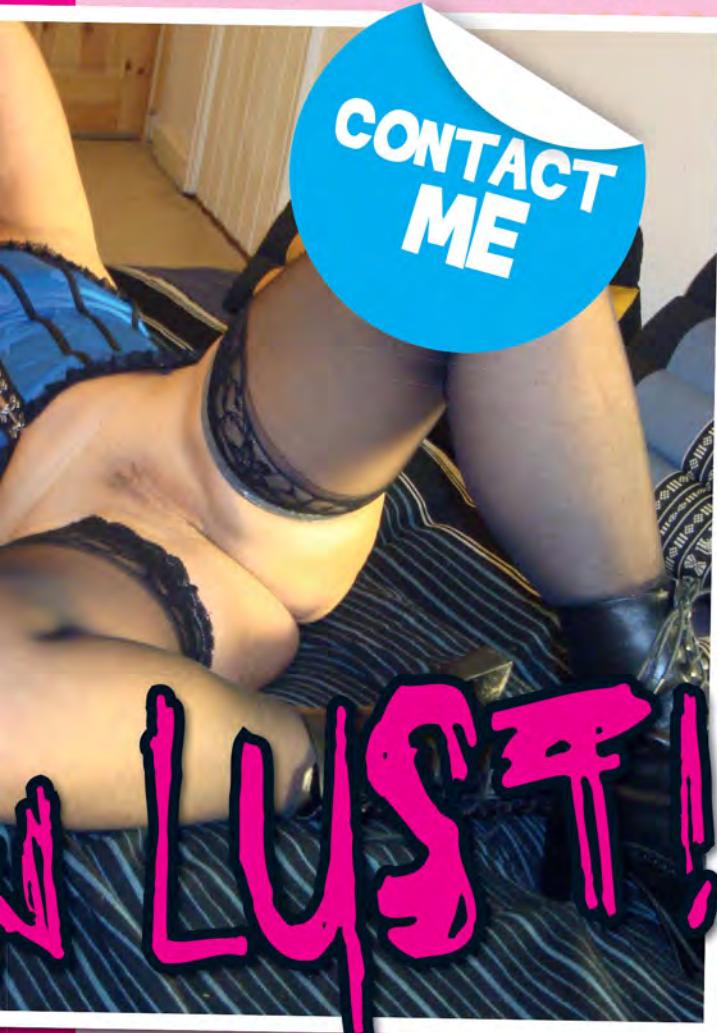

sofa, I knelt before him, unzipped his trousers and greedily took his manhood between my lips. I flicked my tongue back and forth over his bulging head while slowly wanking the base of his cock.

Jamie moaned. I

when Jamie came, Ray was straight in after him, pumping away furiously at my sopping slit.

I almost forgot about Jamie until my screams of orgasmic delight were stifled by his cock.

I sucked him off as

moaned. Ray had pulled my panties aside and slipped a couple of fingers into my dripping wet cunt. As he pushed in and out of me I pulled harder on Jamie's prick and gobbled up a couple more inches.

Ray tore my dress off and my breasts spilled on to Jamie's cock. I pushed his cock into my cleavage and squeezed his balls gently as I rubbed my tit flesh all over him.

Next thing I knew they were both carrying me up the stairs and throwing me on to the bed.

I took off my knickers and lay there, baring my shaved pussy to them. Ray wanted to fuck me after another man had had me so he let our guest go first.

I fucked Jamie hard with my legs wrapped round him, pulling him into me as far as I could. Ray watched and wanked and

Ray continued to sink his huge prick into my pussy. When I'd made Jamie hard again I pulled away from Ray and climbed on to Jamie's throbbing member, straddling him in my stockings and suspenders.

As I slowly worked my aching pussy over his cock I could feel Ray behind me, lubricating my arse in preparation for some anal action.

In no time at all he was in me and I groaned in ecstasy at being filled with two cocks at once. Ray grabbed my tits as Jamie flicked his tongue over my erect nipples and I screamed uncontrollably as they shot their cum into my pussy and my arse at the same time.

Eventually I got up and two lots of cum dribbled down my inner thighs. Heaven!

Leah, Bristol

REAL WIFE SEX

Ian's story continued from page 19

before cupping my balls and wanking the shaft while sucking on my helmet.

I could feel myself about to cum so I gently pulled away and got her on all fours on the bed. I licked and stroked her arse cheeks, preparing her for my assault. She butted her arse back against my face, eager for her fucking. I stuck it up her and we both groaned with pleasure. I took her hot smooth tits in my hands and started to ride her. I looked down at my cock which was dark with her orgasmic juices and went even faster at her. She was cumming hard, telling me to fuck her harder, her hair flying around, her buttocks bouncing off my pelvis.

I thought that I was just going to have sex with Sara but, clearly, Tammy didn't just want to sit downstairs like a plum. She shyly appeared at the bedroom door, buck naked, her tits high on her body, bigger than I thought, with a

lovely hourglass figure.

Sara invited her on to the bed and all three of us rolled around together for a while, enjoying the selection of cocks and cunts to stroke, nibble and suck.

Sara lifted up Tammy's legs to present fine fanny access. Her fanny was pink and sparkling with juice. I rubbed my cock on her clit till my

glans was bright with her cunt cream then slowly piped it into her twat. And it's still only ten o'clock, I remember thinking.

I went all the way in till my thighs were resting against Tammy's arse cheeks.

I slowly piped it into her twat

I looked down and could only see her strip of hair – my cock was buried inside her. Sara, still holding on to Tammy's legs, pushed her tits against my chest and started snogging me. I fucked Tammy hard, all the while groping and kissing Sara who was bouncing up and down on Tammy's face. I couldn't see, but I could tell from the noises com-

ing from Sara, from deep down in her stomach, that her sticky chamber was impaled on Tammy's tongue.

I thrashed away at her, hard, till I ended up lying on top of Tammy, her legs wrapped round my back and loving, vocally, the dick-thrusts I was breathlessly nailing into her.

Sara had fallen off Tammy's face and had stuck her arse back into my face. I frantically tongued her big lips and arsehole, sometimes catching her finger which she was pistonning into her. Then I went down to snog Tammy who loved licking her mate's fluid off my face.

I began panting, squeezing Tammy's squidgy tits in anticipation of losing my load. Sara got off the bed, came round behind me and smacked my arse cheeks to encourage me towards

the finish line. I grunted as she cork-screwed a finger up my arse and I saw stars for a second before emptying my nuts into Tammy's gaping cunt.

I pulled out of Tammy and admired her swollen red twat already dribbling with my seed. She was lazily flicking her clit as the aftershocks of her own orgasm coursed through her.

Sara came over to me and rubbed her tit flesh all over my recovering cock. "You'll be a while but we'll give you something to get you going again," she murmured as she got up, little droplets of my cum clinging to her breasts.

"We're lucky enough to have you today, but if we didn't, we'd have to use this." She bent over to get something at the bottom of her wardrobe and I looked admiringly at her split peach.

She came back with a big double-ended dildo dangling between her legs. The girl loved having a cock – she swang it around and dangled it over Sara's mouth. Sara licked its tip and ran her hands along its pink plastic length, even curling her toes around it, showing just how much she wanted it in her.

I watched with fascination as the girls got on the bed and positioned themselves on either end of this monster. They eased it up each other's cunt and then, facing each other, fucked their brains out. I went between them, fingering, kissing, tit-massaging until I was hard and ready to go again.

We've been firmest friends ever since that day. ☺

SHAY

Bit of oar-right Shay isn't planning on watching the Boat Race this year. "The only thing I know about it is never bet each way! All those toffs messing about on the water – I'd much rather they were using up all that energy fucking me in this boat! I dream of cock after cock plunging into my hot wet hole till I drag myself panting over the finish line, my fanny foaming with their spunk!" Talk about a scull fuck!

Humber hump

We went to the Humber bridge to take some photos and found an ideal spot on the river bank next to the

main railway line leading out of Hull.

There were a few people around but my hubby Phil snapped me anyway. I got more daring when a train went by and I flashed the passengers.

After a few more shots, Phil

CONTACT ME

Hard at it

My boyfriend Josh is a bit older than me at 42 (I'm 30).

Luckily I like older men and big cocks, so he is perfect for me.

We go to a club in town every week, and there is this bloke called Derek who's always down there. I have had my eye on him for ages.

I had him down as about 40-45 and not bad looking. I really wanted his cock and I told Josh I was going to go for it one night.

After a few drinks I got chatting to him. We had some drinks together and he was eyeing me up the whole time. We were both up for it so Josh asked him if he'd like to come back to ours for a late night drink.

In the taxi back home I felt horny as fuck sitting between them. I had one hand on both of their legs, inching up their thighs. I could feel both of them had big hard-ons.

Once inside I sat in the middle of the sofa and started taking my clothes off.

He licked the spunk out of my pussy

said that he could see two guys sneaking up on us on the foreshore below. I told him to pretend we hadn't seen them and started flashing outrageously so they could see everything.

All the while I was getting more and more turned on and I whispered to Phil that I needed a fuck.

I could see by the bulge in this pants that he was as

horny as me. He laid me back on a rock and started to lick my pussy.

It was so good that I was soon whimpering and totally forgot about the guys on the foreshore as a massive orgasm coursed through my body.

I slowly recovered and opened my eyes to see the two guys stood only two feet away, leering at me. I was so

One had his fingers up my pussy, the other wanked

Derek had a really thick cock, bigger even than Josh's.

Now we were all undressed I stuffed Josh's cock into my mouth and started to lick and suck it all the way down the shaft.

He had his fingers inside my moist pussy and Josh

was wanking like mad. Then I positioned myself right on the edge of the sofa and told Derek to fuck me.

Gently at first he pushed his cock inside me. Then he really started to bang me. I told Josh to get up by my side and I took his cock deep into

turned on now and needed a proper fuck.

We scrambled down the rocks to a reed bed and I knelt down and unzipped Phil's jeans and took his rock hard cock in my mouth.

I motioned to the two guys to get their pricks out and I wanked them to full erection as I sucked off Phil.

Phil told me to get on my hands and knees and as one guy entered my wet pussy,

the other took Phil's place and slid his cock between my lips.

They started to fuck me in unison as Phil flashed away with the camera. I was orgasming freely and when I felt the guy stiffen and shoot inside my pussy I had the biggest climax yet.

The guy whose cock I was sucking took my place and pounded my pussy with his big fat dick until I thought I was going to pass out with pleasure.

Any thought of Phil adding his load to me had to be put on hold as we realised the tide was coming in.

We climbed back on to the footpath but there were people out walking so we went back to the car, arranging to meet up with the guys another time.

Then we drove to a quiet spot and Phil licked all of the spunk out of my cunt before shagging me bent over the car bonnet.

It was such an enjoyable experience and I can't wait to do it again!

my mouth.

Derek was banging the fucking hell out of me and it wasn't long before I felt his spunk firing deep inside my cunt. Then Josh let me have his load and I sucked every last drop out of his cock.

After a little rest we all went to the bedroom. The spunk was still running out of me as I was walking up the stairs.

Once in bed I had both Derek and my boyfriend doggy-style. To feel Derek's cock so deep in me was

fucking good, he just rammed it so deep.

I came at the same time as he did and as soon as Derek finished, Josh climbed on.

The best time was when I got on all fours on the bed and took a cock each end. I was sweaty and spunk-soaked by the end. A spitroast with a stranger is amazing!

We fucked hard all night and the next morning I was sore but keen to repeat.

Lovely load

I recently had a quality threesome with two friends of mine, Kay and Steve.

It started with me giving Steve a nice long blow job, licking his cock from the base to the tip. Then I took him deep in my throat, making sure he was hard and horny.

Next me and Kay slowly removed our clothes.

Steve's eyes were fixed on my pussy, so I slipped a finger inside it for him and gently worked it in and out.

As I began circling my love bud with a fingertip, Kay knelt above Steve and invited him to suck her clit. As my pussy got wetter I pushed two, three and then four fingers inside myself.

Then I reached for my favourite vibrator and pushed it deep inside my cunt, sending a wave of pleasure through my body.

I lay on my back thrusting

lapping at my honey while I rubbed my clit. This had me cumming again in seconds, flooding Steve's face.

I then leaned forward and took Steve's cock in my

the vibro in and out of myself and squeezing my nipples while Steve was busy licking Kay's bud faster and faster.

My body shook as my first orgasm hit me. I felt my juices running down my thighs. I watched as Kay climbed off Steve and started sucking on his hot cock.

I moved over and sat on Steve's face. He thrust his tongue into my juicy pussy,

mouth while Kay was concentrating on sucking his meaty balls. We flicked our tongues across his purple helmet.

Then Steve rolled me over and shoved his cock up me. He started thrusting before flipping me over and fucking me from behind.

He slipped a finger up my arse, which was very wet from my flowing love juices. While I was getting fucked and fingered I was sucking Kay's clit like a boiled sweet.

After Steve had given me an orgasm, he pulled out and lined Kay up. He eased his cock into her arse, which she loves. He started fucking her arse hard.

Then he pulled out of Kay's bum and kneeled over our faces.

We both opened our mouths in anticipation, and sure enough he fired his lovely load down our throats and over our faces.
